Dear Members,

In recognition of our participation as Industry Partner, Centre for Management Technology (CMT) will offer **British Chamber of Commerce special discounted registration fees** for the above event.

CMT's Asia Nuclear Energy & SMR 2026 brings together **government agencies, regulators, utilities, technology developers, EPCs, financiers, supply chain leaders, and industry stakeholders** to address the key enablers shaping the next phase of nuclear growth in the region.

Across two days, industry leaders will explore how Asia can unlock nuclear deployment at scale—through stronger regulatory frameworks, innovative financing structures, and supply chain readiness.

The applicable per-person rate is **USD1295 for 1 pax** (regular fee USD1595) & **valid till 12 June 2026**

To enjoy above fee, you must email completed form below to nadia@cmtsp.com.sg or grace@cmtsp.com.sg and provide your membership details for CMT to verify & confirm your eligibility to enjoy this special fee.

*Note: Members who have already pre-registered or opt to register via CMT's website/event page are not entitled to this special rate, cannot claim any refund and will be **invoiced at the prevailing fee.***

The fees mentioned above cover admission to conference and networking sessions, lunch and documentation only. Fees for optional site visits &/or workshops, if any, are not covered and will be added on to final invoice. All other expenses including transportation and accommodation will be at your expense.

Thank you and we look forward to welcoming you to this event.

Best Regards,
