

GREAT Scholarships for justice and law

24 Scholarships

The Study UK campaign is delighted to announce the opening of the bidding for **GREAT Scholarships for justice and law** to all UK higher education institutions.

This time-limited programme (for one academic year only) will be delivered by the Study UK campaign, in partnership with the Ministry of Justice. Study UK is delivered by the British Council as part of the UK government's GREAT Britain campaign, which encourages people to visit, invest, and study in the UK.

The **GREAT Scholarships for justice and law** will be jointly funded by the UK government's GREAT Britain campaign and the British Council with participating UK higher education institutions, targeting **prospective postgraduate law students from China, India, Indonesia, Ghana, Kenya, Malaysia, Nigeria, Pakistan, and Thailand**, who will enroll into UK higher education institutions **in the autumn of 2022**.

In 2021, **GREAT Scholarships for a sustainable future** was created as a time-limited offer to coincide with the UK hosting COP26, widening access to courses in the UK related to climate change and creating a cohort of young spokespeople for positive change. 26 scholarships were offered in partnership with 12 HEIs.

For 2022, **GREAT Scholarships for justice and law** will showcase the UK's long and fascinating history in the field of law, as the new time-limited offer. With some of the oldest and most prestigious law schools in the world, the UK offers an exceptional choice of courses to anyone embarking on a legal career – both in the UK and internationally. **24 scholarships will be offered in partnership with UK HEIs.**

Objectives

- significantly increase the number of opportunities for students from China, India, Indonesia, Ghana, Kenya, Malaysia, Nigeria, Pakistan, and Thailand (the justice and law scholarship markets) for UK HEI postgraduate law courses in 2022
- enhance the reputation and promote the high-quality higher education provision of the UK to audiences in the scholarship markets
- reinforce the message that the UK continues to welcome the brightest and best international law students.

Benefits for UK institutions

This initiative will provide a great opportunity for UK higher education institutions to raise their profiles and increase exposure in the scholarship markets. In addition, the British Council will bring:

- a proven track record with other scholarship programmes.

All scholarships that are funded under this initiative will be named as '**GREAT Scholarships for justice and law – [X University] – [Country Name] 2022**' and will be promoted in integrated marketing campaigns running in the scholarship markets for six months from October 2021 to March 2022.

The campaign will cover:

- global online marketing activities – **GREAT Scholarships for justice and law** page on Study UK website; paid advertising; social media and email newsletter
- national marketing campaigns in the scholarship markets from autumn 2021
- offline marketing activities and events that the British Council plans for these markets from autumn 2021, including the Study UK exhibitions, a global webinar series, education agent workshops and regional digital campaigns.

The British Council will work with participating HEIs and use both digital and print media channels to ensure all scholarship opportunities are effectively promoted to target students.

All participating HEIs are expected to further promote the scholarship opportunities through their own channels.
